SACK Suits are the commonest garments worn by men in ordinary daily activities; the regular thing for business. That's all the more reason for having

#### **SCHAFFNER** HART

because the sack suits they make for us are not common looking at all; they're distinguished; a man dressed in one of our suits looks different; looks dressy. stylish, without being extreme in dress

The fine tailoring does it; the correct designing in style; and the quality of all-wool fabrics helps the general effect.

There are no other clothes that compare with them in these points.
